

Barham Parish Council – April 2018 In Touch Report

Following the snowy weather at the end of February/early March many residents are concerned at the number of potholes in the village. If you spot a pot hole please report it to Suffolk County Council <https://www.suffolk.gov.uk/roads-and-transport/roads-pavements-and-verges/potholes/report-a-pothole/> or if it poses an immediate danger to public safety - call 0345 606 6171

Following more complaints from residents the Parish Council is republishing the advice it gave in the December edition of In Touch regarding dog fouling

Residents are reminded that dog waste should be collected and disposed of in the bins provided. Advice from Mid Suffolk District Council also states, if you see someone failing to clean up after their dog in a public place then try to remember and note down as much detail of the incident as possible, including the date, time and location, and the name and address of the offender if you know it. Where a vehicle is involved please note the make, colour and registration mark of the vehicle, together with a description of the person. To report an incident of dog fouling that you have witnessed, a dog bin which requires emptying, or some fouling on public land which needs clearing please contact Mid Suffolk District Council.

The Council would also like to apologise to the residents of Barham for not submitting a report in last month's edition of the In Touch magazine unfortunately the Clerk was taken ill suddenly and also moved house. Therefore, please note the new address for correspondence to the parish is now 23 Old Rectory Close, Barham, IP6 0PY.
