

Barham Parish Council – February 2018 In Touch Report

The Parish council would like to thank residents for raising concerns about the vandalism to the redundant telephone box on the corner of Bacon Road/Phillips Road. As it is not safe for residents when the glass is smashed, we are currently in communication with BT to arrange for the removal of the telephone box.

Following concerns raised about speeding on various roads in the village, the Parish Council would also like to take this opportunity to let you know that they will be requesting speeding checks and observations to be carried out in the village.
