

## **Barham Parish Council – January 2018 In Touch Report**

We hope all our parishioners have had a happy and healthy festive season.

Now, it is January and a time when many of us reassess what we could accomplish during the next year. With that in mind, Barham Parish Council have been discussing the need for more Grit/Salt Bins and would like to take this opportunity to ask our local residents for their input.

Bins are usually placed at important locations, such as the bottom of hills or at junctions on minor roads. What locations in Barham do you feel would benefit from this provision? Please contact our Parish Clerk with any location ideas you may have.

Best wishes for 2018  
Barham Parish Council
