

Barham Parish Council – June 2018 In Touch Report

It has been brought to the Parish Council's attention that the dog poo bins are being misused. Please can we remind everyone that they are provided for dog poo only and not general household rubbish.

If any local organisation would like a grant aid from the Parish Council, they should write to the Parish Clerk at 23 Old Rectory Close, Barham, IP6 0PY, outlining their case and an estimate of the funding required.

Please also remember that our local District and County Councillors have funds available to support local community projects, however small. For more information and guidance on this you can contact your Local District Councillors John Whitehead on 01473 833279 or James Caston on 07789 957444 and your Local County Councillor John Field on 01473 831306.

By the time you will have received this report Barham's remaining meetings before the summer break are Monday 4th June and Monday 2nd July both begin at 7pm in the Claydon & Barham Village Hall. Residents are welcome to attend. The agenda will be available via the website or can be viewed on the villages noticeboards, which are located near the entrance of the Co-op and at Barham Green.

One last important note, as we are approaching the warmer weather we would like to remind residents to check that their houses are secure before going out and that the front of their houses are secure while relaxing in their back gardens.
