

Barham Parish Council – October 2018 In Touch Report

The Parish Council are receiving complaints about resident's fly tipping their garden waste beside the footpath that leads from the Coopers Estate to Station Road, Claydon, as well as the footpath that leads from Thornhill Road to the Slade. The council would like to remind residents that brown bins are to be used or failing that a trip to your local waste site.

Following the Parish Council's letter to the CEO of MSDC regarding disruptions to the brown bin collection we have had agreement from Oliver Faiers, Corporate Manager of Waste Services to attend the Parish Council Meeting on Monday 1st October at 7.30pm to answer any questions you may have, so if you are a resident that has been affected and have questions then please do take the time to attend the meeting.

At the time of submitting this report the current status for the two big proposed developments in Barham (Church Lane Development - 1856/17 and Ely Road - DC/18/00861) are still both awaiting committee dates with the Referrals Committee of Mid Suffolk District Council. We have been informed that they would look to discuss them both at one committee date.

A reminder that Barham Parish Council commissioned an assessment of the Transport Survey, which was provided by the developers for the proposed development of Barham Church Lane. This can be viewed on the website or you can contact the clerk for a copy. Barham Parish Council also commissioned the same company to consider the affect that the proposed development off Ely Road would have, if both developments were granted by Mid Suffolk District Council. This report can also be viewed via the website or again you can contact the clerk for a copy. Barham Parish Council will keep you posted via their noticeboards and website of a Referrals Committee date, as soon as they are given this information by Mid Suffolk District Council.

Please note due to a change in circumstances our Parish Clerk will be changing her working schedule with immediate effect. The Parish Clerk will be working Tuesday's and Wednesday's between the hours of 9.30am and 2.00pm. Any queries or concerns you may have at other times please feel free to email or leave an answerphone message using the details below and the Clerk will respond as soon as she can.

A further reminder that future monthly Parish Council Meetings have changed their start times. The new start times will be 7.30pm from the previous 7pm. Future meeting dates and agendas are available via the website or can be viewed on the village notice boards, which are located near the entrance of the Co-op and at Barham Green. If you would like a specific topic discussed as an agenda item then please email the Parish Clerk.

For latest news and information relating to the villages can be viewed by visiting the website: www.claydonandbarham.onesuffolk.net
