There are still three vacancies for parish councillors that we would like to fill. If you are interested, please contact our Parish Clerk for further information without obligation.

Vacancy for Assistant Webmaster – The Parish Council is very grateful to John Tuppen for voluntarily spending time developing and maintaining our parish council website. However, because of the increase in time required to ensure that the large volume of information available is kept up to date, we would like to appoint someone to assist him in this very important work, also on a voluntary basis. In the short term the main requirement would be to update information relating to the Parish Council. In the longer term it would be good if the person appointed would also be prepared to help run the website by also keeping all other information up-to-date. Those who wish to be considered will need access to a PC with Microsoft Office or the ability to change documents to pdf file format. Familiarity with Google calendar would also be an advantage. If you are interested please contact our Parish Clerk in the first instance.

Community Responders – The Parish Council is pleased to give annual financial support to Gt. Blakenham, Barham and Claydon Community Responders. Their members arrive at the scene of an emergency call before an ambulance or paramedic on many occasions and using their medical knowledge, skills and training give valuable assistance not only to the patient, but also to their families and the ambulance service personnel assigned to the call. Last year their four members attended 61 emergency calls in the wider Claydon area, including six over the Christmas period. Unfortunately they have recently lost one of their four members and have been unable to recruit a replacement. This means that the number of calls to which they can now respond will be reduced. If you would be interested in becoming a Community Responder, please e-mail Dick Bound at: r.bound595@btinternet.com for more information.

Meetings in July – The next meeting of Claydon & Whitton Rural Parish Council will be held on Monday 10th July 2017 at 7.30 p.m. in Claydon & Barham village hall. The next meeting of Claydon & Barham Parish Council Finance Committee will be held on Monday 17th July at 7.30 p.m. in Claydon & Barham village hall. Members of the community are very welcome to attend both meetings when opportunity will be given at the beginning of each one for them to speak on items included on the agenda or other issues about which they have concerns. Agendas will be available prior to the meetings from our Parish Clerk, Mrs. S Eagle,
