Claydon Church Lane, Claydon
Ipswich, IP6 0EG
Tel: (01473 831805)

4th May 2019

The regular activities are in full swing with various groups growing slowly. Quite a few private bookings and Charitable Status events. These are at reduced cost or free to the organiser.

We have sponsored Barham under 13 Football Club to supply the Kit, £500. It would seem they are not going to use the Recreation Ground next season; due to reasons we are unaware of. It was felt important to Support this local football team.

Solar Panels have been installed onto the Main Hall roof. This is to assist the environment and the investment, eventually will pay dividends in the future plus reduce running costs.

The school are using the hall during Exam time for some of their events.

The entrance path paving stones have been removed and replaced with a concrete surface

The In Touch deliveries, Organised by Gail and Peter have with the deliverers support are donating £1450 to the following Groups, Meet N Eat, Knitting Group, Claydon Primary School, Silver Surfers, First Responders, Recreation Ground and Parish Parochial Church Council. The money given to the Community Centre from In Touch for the delivery of the magazines.

Peter Avis

Treasurer, Claydon and Barham Community Centre
