

Claydon & Whitton Parish Council – September 2019

Vacancies for Parish Councillors – Despite a vigorous publicity campaign we have been unable to fill any of the current vacancies on the Parish Council. Unfortunately these have increased following the local elections held in May due to former councillors not standing for re-election. The lack of parish councillors has now become a matter of

some concern and therefore we would ask every member of our local community to consider whether they could take on this role. Please contact our Parish Clerk for more information. Alternatively, if you would like to chat informally about the role of a parish councillor, we would be pleased to arrange a suitable time for this to take place. Your present Parish Councillors are:
