

## **Claydon and Whitton Parish Council In Touch Report April 2020**

### **Annual Parish Meeting**

This is a chance for everyone in the Parish to come together and discuss issues that are relevant to the community. This is not a Parish Council meeting, but is chaired and organised by the Parish Council. If you have any agenda items that you would like discussed, please contact the Parish Clerk or any Councillor.

The meeting will take place on 27<sup>th</sup> April 2020 at Claydon and Barham Village Hall at 7.30pm. Please do attend if you can.

### **Lights on A14 roundabout**

As many of you are aware, these lights have been fixed and have broken again several times. Highways England have confirmed that there is an electrical fault with these lights that they are planning to fix and the Parish Council continues to report to Highways England when the lights are out. Highways England's information line is 0300 123 5000.

### **Ditches and flooding**

During the heavy rain fall of the last couple of months, most residents will have been aware of excess water on footpaths and fields. We have had some reports of ditches being used for disposal of waste materials that may cause harm to the water courses as well as increase the likelihood of flooding. We would like to remind residents of the importance of maintaining the drain of water away from footpaths, roads and properties by ensuring that ditches are not used for waste materials.

### **Grass Cutting in Claydon**

Suffolk County Council have published their grass cutting dates for the roads in Claydon for this summer – the grass is due to be cut around 8<sup>th</sup> June (weather dependent).

## **Twitter**

If you are on Twitter, then you can follow the Parish Council Twitter address @claywhitpc. The aim of the account is to share interesting information about the Claydon and Whitton area as well as news from the Parish Council.
