

Claydon and Whitton Parish Council In Touch Report May 2020

In these unprecedented times, the Parish Council is here to help you should you need assistance of any kind. Please contact the clerk on the details below and we will do our best to support you or signpost you to where you need to be.

The Parish Council website – www.claydonandbarham.onesuffolk.net – has a dedicated coronavirus section, with links to helpful sites.

The Claydon and Local Villages Support Group can be contacted on 07925 667671 – they are a helpful group of local residents who have acted quickly to help people in any way necessary.

The Recreation Ground Management Committee took the decision to close the children's play equipment, adult gym and zipwire on Claydon and Barham Recreation Ground in line with government recommendations. Please support the community by not using the equipment. Whilst this is a useful area in which to get your daily exercise please ensure you observe the recommended social distancing regulations.

At the time of writing, the Parish Council is awaiting further guidance on holding remote meetings and how to undertake statutory functions such as the annual audits and responding to planning consultations. Please keep an eye on the website for further details. The clerk will also occasionally update the Parish Noticeboards (outside the village hall and on Old Norwich Road in Whitton). We are likely to be holding remote meetings and will provide further details on how residents can still contribute their views as soon as we know them.

The Parish Clerk, Charmaine Greenan, can be contacted by emailing claywhit@btinternet.com or telephoning 07887 459989 or by post at 129 Poplar Hill, Stowmarket, IP14 2AX
