

## **VILLAGE HALL REPORT FOR CLAYDON PARISH COUNCIL**

Both of our candidates for the role of bookings secretary/book-keeper have dropped out of the race. So we will redouble our efforts and hope for a positive outcome. John Tuppen has agreed to stay on as acting treasurer until the end of October, which is very welcome.

We have joined a Community Action Suffolk scheme called 'Your Hall' whereby village halls have an individual website presence in the 'cybersphere'. It's a way of advertising ourself and our many attractions. We have yet to fill our space with text and pictures.

Bookings are picking up. We hope for more, as always.

One of our best Unique Selling Points - our wooden floor - was cleaned and oiled on Wednesday 20 April. So ready to welcome the pitter patter of many happy feet.

I think that covers the main points

Geoff Rogers  
Chair, Village Hall Management Committee
